Dear Sir/Madam

I am writing to apply for the programmer position . As requested, I enclose a completed job application, my certification, my resume and my certificates. I am currently pursuing my Bachelor's degree in Computer Engineering and would like to contribute to your IT department.

However , I believe that my strong technical experience and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

? Adept at writing well-structured and easily maintainable code using  
Java,HTML5,C,Javascript,Mysql,TSQL,C++,AngularJS,JSON,JQuery,CSS,

Object Oriented Programming, Design Pattern

? Competent at working with clients, support, and QA teams to resolve bugs  
,support issues and open mindset

? Well versed in providing detailed feedback on documentation and test plans  
for features

? Excellent logical, debugging and reasoning skills

? Passion for delivering quality solutions

Thank you for your time and consideration. I look forward to hear from you  
soon.

Sincerely,

Mustafa Erdogan
